# **Resilient loan growth**

- Industry loans continued to grow 1% m-o-m/ 5.1% yo-y on strong business loan growth
- Domestic mortgages declined for seventh consecutive month
- Loan-to-deposit ratio continued to moderate on growing deposit base
- Remain watchful on asset quality; UOB remains our top pick

Industry loans continued to grow 1% m-o-m/5.1% y-o-y on strong business loan growth. August industry loan growth (DBU + ACU<sup>1</sup>) was resilient at 1% m-o-m/5.1% y-o-y, having seen June-July 2019 loan growth moderating to 0.2-0.3% m-o-m. This was largely on the back of business loans, which saw strong growth of 1.4% m-o-m/7.5% y-o-y, particularly from building and construction (1.0% m-o-m/6.1% y-o-y), and financial institutions (3.7% m-o-m/11.3% y-o-y), which was largely attributed to ACU. We believe these two industries will continue to drive loan growth in FY19F. Year-to-date, industry loan book grew 4.7% in the first eight months, which is still on track to meet our mid-single-digit expectations for FY19F.

**Domestic mortgages declined for seventh consecutive month.** For the seventh consecutive month, Singapore's mortgage book continued to decline m-o-m, registering a 0.2% m-o-m decline in August 2019. Year-to-date, domestic mortgages declined 1.4% collectively. We believe the key to mortgage book lies in secondary market transactions, which in 2Q19 recovered from 1Q19's volumes by +27.6% q-o-q. We believe this should support the decline in mortgage loan book and do not expect the mortgage book to contract severely, unless there is an accelerated slowdown in the economy with massive unemployment.

Loan-to-deposit (LDR) ratio continued to moderate on growing

**deposit base.** Deposit growth of 0.9% m-o-m/ 8.1% y-o-y continued to outpace loan growth as fixed deposit demand remained high even as fixed deposit interest rates have come off the peak. As a result, LDR (DBU) continues to moderate from the peak. As of August 2019, LDR stood at 101.8% while S\$ non-bank LDR stood at 83.5%.

Remain watchful on asset quality; UOB remains our top pick.

With the region's growth slowing, we remain watchful on asset quality as regional banks have seen a handful of NPLs since 2Q19. We continue to prefer UOB for its attractive dividend yield of c.5%, smallest exposure to Greater China among the local banks, lowest sensitivity of falling interest rates to NIM, as well as a more defensive wealth franchise.

#### GENERAL DISCLOSURE/DISCLAIMER

This report is prepared by DBS Bank Ltd. This report is solely intended for the clients of DBS Bank Ltd, its respective connected and associated corporations and affiliates only and no part of this document may be (i) copied, photocopied or duplicated in any form or by any means or (ii) redistributed without the prior written consent of DBS Bank Ltd.

The research set out in this report is based on information obtained from sources believed to be reliable, but we (which collectively refers to DBS Bank Ltd, its respective connected and associated corporations, affiliates and their respective directors, officers, employees and agents (collectively, the "**DBS Group**") have not conducted due diligence on any of the companies, verified any information or sources or taken into account any other factors which we may consider to be relevant or appropriate in preparing the research. Accordingly, we do not make any representation or warranty as to the accuracy, completeness or correctness of the research set out in this report. Opinions expressed are subject to change without notice. This research is prepared for general circulation. Any recommendation contained in this document does not have regard to the specific investment objectives, financial situation and the particular needs of any specific addressee. This document is for the information of addressees only and is not to be taken in substitution for the exercise of judgement by addressees, who should obtain separate independent legal or financial advice. The DBS Group accepts no liability whatsoever for any direct, indirect and/or consequential loss (including any claims for loss of profit) arising from any use of and/or reliance upon this document and/or further communication given in relation to this document. This document is not to be construed as an offer or a solicitation of an offer to buy or sell any securities. The DBS Group, along with its affiliates and/or persons associated with any of them may from time to time have interests in the securities mentioned in this document. The DBS Group, may have positions in, and may effect transactions in securities mentioned herein and may also perform or seek to perform broking, investment banking and other banking services for these companies.

Any valuations, opinions, estimates, forecasts, ratings or risk assessments herein constitutes a judgment as of the date of this report, and there can be no assurance that future results or events will be consistent with any such valuations, opinions, estimates, forecasts, ratings or risk assessments. The information in this document is subject to change without notice, its accuracy is not guaranteed, it may be incomplete or condensed, it may not contain all material information concerning the company (or companies) referred to in this report and the DBS Group is under no obligation to update the information in this report.

This publication has not been reviewed or authorized by any regulatory authority in Singapore, Hong Kong or elsewhere. There is no planned schedule or frequency for updating research publication relating to any issuer.

The valuations, opinions, estimates, forecasts, ratings or risk assessments described in this report were based upon a number of estimates and assumptions and are inherently subject to significant uncertainties and contingencies. It can be expected that one or more of the estimates on which the valuations, opinions, estimates, forecasts, ratings or risk assessments were based will not materialize or will vary significantly from actual results. Therefore, the inclusion of the valuations, opinions, estimates, forecasts, ratings or risk assessments were based with the aforeside herein IS NOT TO BE RELIED UPON as a representation and/or warranty by the DBS Group (and/or any persons associated with the aforeside entities), that:

- (a) such valuations, opinions, estimates, forecasts, ratings or risk assessments or their underlying assumptions will be achieved, and
- (b) there is any assurance that future results or events will be consistent with any such valuations, opinions, estimates, forecasts, ratings or risk assessments stated therein.

Please contact the primary analyst for valuation methodologies and assumptions associated with the covered companies or price targets.

Any assumptions made in this report that refers to commodities, are for the purposes of making forecasts for the company (or companies) mentioned herein. They are not to be construed as recommendations to trade in the physical commodity or in the futures contract relating to the commodity referred to in this report.

DBSVUSA, a US-registered broker-dealer, does not have its own investment banking or research department, has not participated in any public offering of securities as a manager or co-manager or in any other investment banking transaction in the past twelve months and does not engage in market-making.

#### ANALYST CERTIFICATION

The research analyst(s) primarily responsible for the content of this research report, in part or in whole, certifies that the views about the companies and their securities expressed in this report accurately reflect his/her personal views. The analyst(s) also certifies that no part of his/her compensation was, is, or will be, directly or indirectly, related to specific recommendations or views expressed in the report. The research analyst (s) primarily responsible for the content of this research report, in part or in whole, certifies that he or his associate<sup>1</sup> does not serve as an officer of the issuer or the new listing applicant (which includes in the case of a real estate investment trust, an officer of the management company of the real estate investment trust; and in the case of any other entity, an officer or its equivalent counterparty of the entity who is responsible for the management of the issuer or the new listing applicant) and the research analyst(s) primarily responsible for the content of this research report or his associate does not have financial interests<sup>2</sup> in relation to an issuer or a new listing applicant that the analyst reviews. DBS Group has procedures in place to eliminate, avoid and manage any potential conflicts of interests that may arise in connection with the production of research reports. The research analyst(s) responsible for this report operates as part of a separate and independent team to the investment banking function of the DBS Group and procedures are in place to ensure that confidential information held by either the research or investment banking function is handled appropriately. There is no direct link of DBS Group's compensation to any specific investment banking function of the DBS Group.
